

DREI TOLLE TAGE: (3 Crazy Days)**Faschingsfreitag, Faschingssamstag, und Faschingssonntag
Karnevalsfreitag, Karnevalssamstag, und Karnevalssonntag****Saturday**

Start the day with a Cologne *Frühshoppen* (breakfast with a *Kölsch*) at the *Funkenbiwak* (gathering of the traditional corps) on the Neumarkt at 10:30 am. In the evening you can go to the Ghost Parade or one of the countless balls all over the city.

Saturday Ghost Parade (Geisterzug)

Things take a slightly darker, Halloween-ish turn on Saturday with vampires and witches turning out for the 'Ghost Parade'. This year's Roman-themed parade, starting at 6pm, will begin at the corner of Maternusstraße and Alteburger Straße and end ultimately at the corner of Bonner Straße and Elsassstraße.

While at other parades later on you can expect to catch candy thrown by the marchers, this Ghost Parade offers up another tradition: *Bützje*, or a kiss on the cheek.
