BEST CHRISTMAS MARKETS IN AUSTRIA

Schönbrunn Market

To co-opt the old estate agent's truism: Location, location, location. This market has it in spades. There are few places in Vienna that can match the fin-de-siècle romance of Vienna's famous Schloss. Perfect for a date with a special someone.

Museumsquartier

The Winter in MQ market is quite busy — but what it lacks in quaintness it makes up for in long opening times. The market only concludes at 23:00, seven days a week. So it's an ideal place for just “one more Glühwein”.
