BEST CHRISTMAS MARKETS IN AUSTRIA

Seefeld

The Seefelder Advent and Weihnachtsmarkt is a shot of Alpine magic. Taking place in one of Tyrol's most scenic and picturesque towns, the market is a mélange of warm christmas lights, handmade crafts and delicious, waist line expanding delicacies.

Pink Market

Vienna's newest market, the Pink Christmas is a LGBT-friendly take on the old tradition. It's something of a cliché, but it seems that gays really can put on a show, as the stage is often occupied with excellent singers and dancers, and the occasional fashion show, all in the aid of charity.
