8 OF MOST BEAUTIFUL GERMAN CHRISTMAS MARKETS

Schloss Guteneck Weihnachtsmarkt

This beautiful Christmas market takes place in the Guteneck Castle near Nabburg in Bavaria. There are more than 120 stalls both inside and outside the castle, which is surrounded with a festively lit wood. There is a focus on the middle ages with ancient crafts such as torch making and pewter casting on show.

There is also a life-size nativity crib scene in the forest which is truly a sight to behold, and cafes and taverns inside the castle where you can warm up. The market has twice been voted the most beautiful Christmas market in Germany, and with all the stunning backdrop and all the festivities on offer it is easy to see why.

The market is open Friday to Sunday every weekend in December up until Christmas and costs €5 on Fridays and €6 on Saturdays and Sundays.
