What Google says about the Danes (and other Europeans)?

Poor Denmark... too small to even fit their stereotype on the map.

**In celebration of Europe Day, here's a look at what Google says about Europeans.**

May 9th marks Europe Day, an annual celebration of peace and unity.

In honour of the day, with a little help from Google's autocomplete function, we compiled a list of the top preconceptions about citizens of nine European countries.

While the predictive autocomplete may not be the most scientifically reliable source, it does give us a good idea of the assumptions and questions people have about Europeans.

We typed in phrases like "Why are the Danes so..." and "Why do the Germans..." and Google provided the rest.

So here's what Google users have to say about Europeans.
