### 3. Gemütlichkeit

The colder it is outside, the warmer it feels inside, and that's why we're grateful for the German word *Gemütlichkeit* (its closest translation is "cosiness"). As you pile into a warm wood-panelled bar and wrap your hands around a steaming mug of *Glühwein*, you only need to exclaim: "So gemütlich!" No one does winter warmth better than the Germans, so make the most of the *Gemütlichkeit*.
