## 7 FROSTY GERMAN SAYINGS TO MAKE YOU A WINTER WORDSMITH

### 7. Schnee von gestern

*Das ist jetzt Schnee von gestern* (literally "that's yesterday's snow now") is best translated as "that's water under the bridge now". It's a great phrase to bring out this Christmas, when it seems that an old family argument is about to kick off again. Just tell them calmly that "it's yesterday's snow".
