8 TIPS TO HELP YOU SURVIVE THE HARSH GERMAN WINTER

2. Stock up your winter wardrobe at one of Germany's many flea markets

Berlin is famous for its flea markets - or *Flohmärkte* - but in fact there are many to choose from across Germany.

Have you stepped outside yet, and wished you had a thicker winter jacket, but don't want to spend a small fortune? Then a German flea market may well be your answer.

From vintage jackets to end-of-line items, you may well find just the fashion piece for you, as long as you don't mind a bit of a hunt. At flea markets, that's part of the fun.
