OCTOBER 3—DAY OF GERMAN UNITY

TIMELINE FROM FALL OF WALL TO GERMAN UNITY

United – On October 3, 1990 the unification of Germany becomes reality

Four days before its 41st anniversary, the GDR ceases to exist as a state. One million people celebrate in the streets and squares around the Reichstag. The upheaval in the GDR was one of several peaceful revolutions in central Eastern Europe to overcome not only the communist dictatorships, but also the division of Europe. Accordingly, 1989 has gone down in history as the year of European freedom.
