## CHRISTMAS CELEBRATION CUSTOMS / WEIHNACHTSFEIERBRÄUCHE

exchange of gifts: die Bescherung

### German word of the day: Die Bescherung

**German wouldn't be German if it didn't have a word for almost everything. So, naturally, there's a special word for opening your presents on Christmas Day.**

After a hearty Christmas dinner, and maybe a visit at the church (however you spend your Christmas day), there will most likely be a Bescherung.
