

Martin Luther (der 10. November 1483—der 2. Februar 1546)

Luther and Protestant Reformation

500 years after Martin Luther's excommunication: A chance for ecumenical Christianity

REBEL OR RUFFIAN: WHO WAS MARTIN LUTHER?

Luther with hammer and nails

Did Luther really nail his 95 theses to the main door of the Wittenberg Castle church? Reformation historians are still discussing this point 500 years later. In fact, Luther himself never mentioned the theses. Belgian historical painter Ferdinand Pauwels didn't seem to care - he painted Luther with hammer and nails anyway.
