

POST CHRISTMAS SEASON NACHWEIHNACHTZEIT

New Year's Eve: **Silvesterabend** (der 31. Dezember)

New Years Eve custom: **Silvesterabendsitte**

fire tongs punch: **die Feuerzangenbowle**

GERMAN WORD OF THE DAY: DIE FEUERZANGENBOWLE

Our word of the day is something that's popular with students and you might find it at a festive party – but be careful if you do!

Beware of this word, or actually: beware of this drink. Die Feuerzangenbowle (literal translations: fire tong punch or burnt punch) is a German Christmas punch that can make you feel very dizzy really fast.
