

“Bei uns ist immer was los!”

**NIKOLAUSABEND—NICHOLAS EVE
KRAMPUSNACHT—KRAMPUS NIGHT
der 5. Dezember**

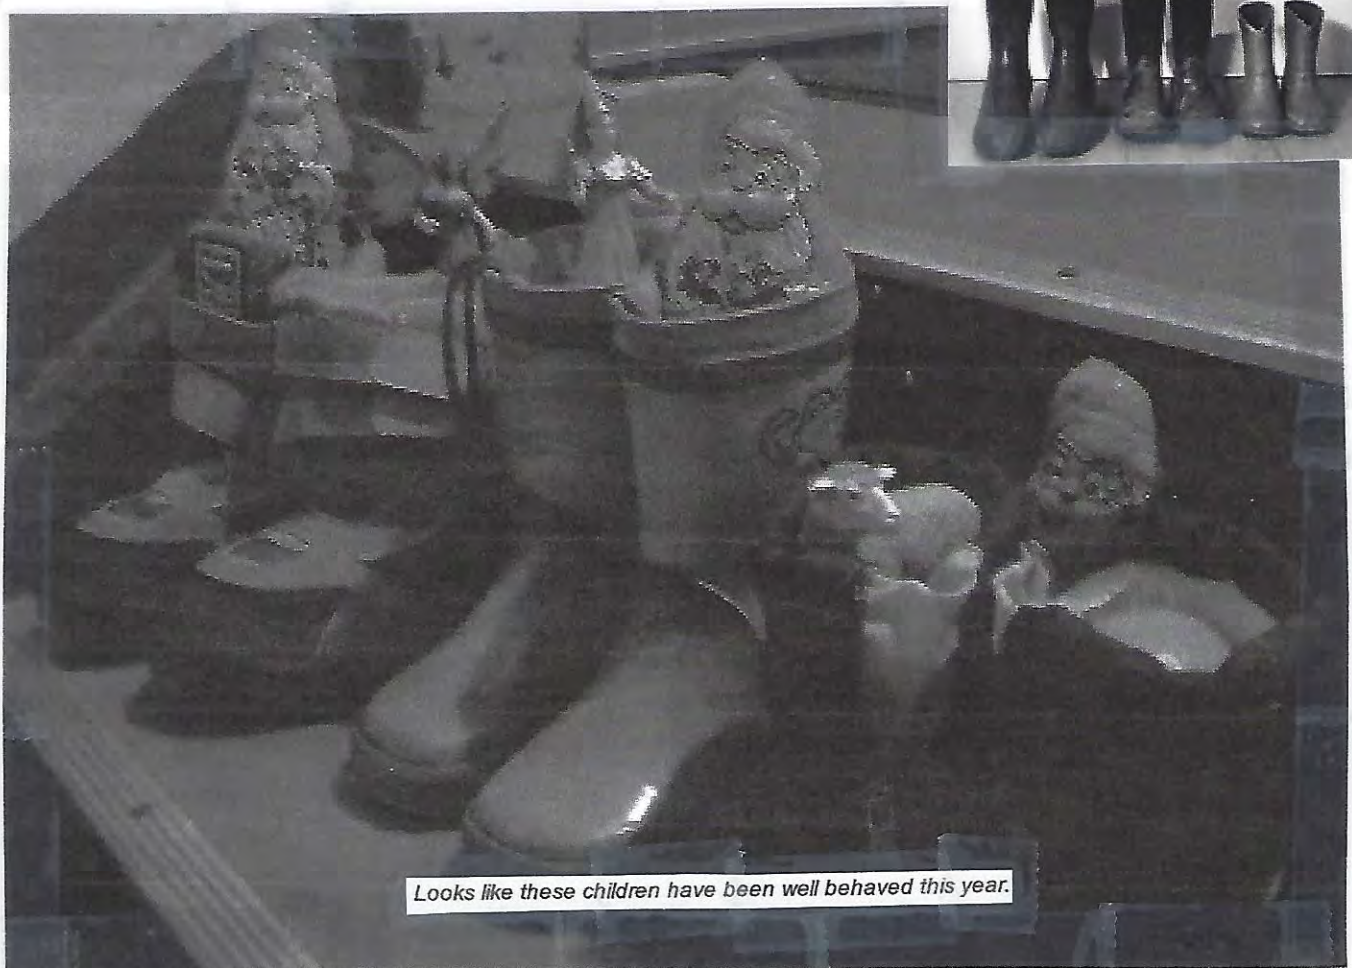

Sitten und Bräuche (customs and traditions)

Don't forget to leave your boots on the doorstep!

This postcard from the 19th century depicts the Dutch tradition of filling shoes with goodies for Sinterklaas

So this weekend, place your boots outside your doorstep. And if you believe in the legend of St. Nicholas, maybe you'll wake up to find them filled with treats!

Looks like these children have been well behaved this year.
