

“Bei uns ist immer was los!”

**NIKOLAUSTAG—SANTA CLAUS DAY**  
 der 6. Dezember

Under the radar - well mostly

SAINT NICHOLAS - ONE MAN, ONE MISSION

This photo from a speed camera shows St. Nicholas and his chauffeur in a bit of a hurry. The car was traveling 10 km (6 miles) faster than the speed limit of 50 kilometers per hour. In view of the time pressures that "Saint Nicholas" is under authorities let him off with a warning rather than a hefty fine.

High-flyer

SAINT NICHOLAS - ONE MAN, ONE MISSION

How St. Nicholas or Santa Claus manages to be in lots of different places around the world at the same time will remain a mystery. But one thing is known that he will return next year and stay on course when flying across the sky, like here over Lake Geneva. (Author: Ille Simon)
