WHAT TO EXPECT AT MUNICH OKTOBERFEST 2015

What are we drinking?

At Oktoberfest, the only beer to be found comes from Bavaria's six grand old breweries – and is specially fortified with extra alcohol to make sure the festival goes well.

Just make sure that its low carbonation and slightly sweeter taste don't encourage you to take on a little more than you can handle.

Racks of Augustiner litre mugs await the onslaught at Oktoberfest 2014.
