

die Stadt Salzburg in Österreich /
Austrian city of Salzburg

Getreidegasse: the flagship of the Old Town

It's always worth looking up: The delicate, playful wrought-iron guild signs above the shops and pubs are an optical highlight in Getreidegasse. Salzburg's soul is in its cafés — with their tempting sweet specialties: Salzburger Nockerln, a kind of baked soufflé, and Mozartkugeln, small, round chocolates filled with nougat and marzipan.
