

„Bei uns ist immer etwas los!“

## DEUTSCHE FEIERTAGE, FESTE, UND MESSEN

### 10 WAYS TO YOU KNOW IT'S SPRING IN GERMANY

Those who have not yet transferred to pedal power may notice that their daily commute becomes a little, well, riper, as public transport is notoriously slow on the seasonal uptake - and the heating remains on 'volcano blast'. This can on occasion cause some olfactory distress as clothing layers are reduced in line with outside temperatures.
