

„Bei uns ist immer etwas los!“

DEUTSCHE FEIERTAGE, FESTE, UND MESSEN
WAYS TO CELEBRATE SPRINGTIME IN GERMANY

Chat to strangers

This might seem quite nerve-wracking to begin with, but everyone's happier when spring has just begun, so you're much more likely to have a really fulfilling conversation (in German!) at this time of year than at any other. Try starting with the bakery lady, and then perhaps strike up a chat with that person you always found pretty on your morning commute to work - spring works in mysterious ways.
