## FEIERTAGE UND FESTE IN DER SCHWEIZ

### TEN SPECTACULAR SPRING GETAWAYS IN SWITZERLAND

For flower lovers

While Morges on Lake Geneva has its own tulip festival in spring, perhaps the most beautiful part of Switzerland blossoms-wise is the canton of Thurgau with its thousands of apricot, cherry, pear and apple trees. With its rolling landscape and views over Lake Constance, this often-overlooked canton comes into its own in the spring months. Cherry trees are set to come out around mid-April while for apple trees blossom time is around the start of May. But as with all things natural, there is no fixed calendar.
