**8 SIGNS SUMMER HAS ARRIVED IN GERMANY**  
Festival season gets underway

Would it even be summer in Germany without an array of festivals? From street parties to parades and big music extravaganzas, this country really does try to make the most of the social side of summer.

There was even a [strawberry festival held in Hamburg](#) at the weekend!

As well as the bigger events, such as Fusion, a music festival near Berlin, find out if your neighbourhood or town is hosting a fest as often it's a great way to meet the people who live in your area and make connections.

The parties are reminiscent of cosy street gatherings, guaranteeing a real local feel.
