DEUTSCHER FEIERTAG IM JUNI

TEN PERKS OF A GERMAN SUMMER

1. Endless Ice-cream

What ice-cream makers do in Germany's sub-zero winters, remains one of life's mysteries. In the summer though, over 4,000 houses of frozen pleasure open their doors to serve up Kugel after Kugel of the good stuff.

2. Lakes

Lakes are not in short supply in Germany, and swimming in them, is one of the best ways to spend a hot weekend, or even balmy weeknight. If leaves and murk don't bother you, dive in. In many places there are man-made beaches dotted with the iconic "Strandkorb" beach seats that make up for the country's limited coastline.
