**3. Nudity**

It's not for everyone, but it is always nice to have the option to get naked in public. FKK (Freikörperkultur) means going nude, and thanks to the former East German love of it, it's generally socially accepted on beaches, lakes, and in some parks.

**4. Barbecues**

A popular way of spending the afternoon in Germany is barbecuing en masse. As soon as the sun comes out, designated spots are filled with huge groups of friends and families celebrating.
