TEN PERKS OF A GERMAN SUMMER

7. Openairs

As summer nights stretch out, so does the party scene in the country's biggest cities. Open air concerts and ad hoc gatherings aren't hard to find, especially in Berlin, where the techno world can spill out of clubs and into parks.

8. Outdoor swimming pools

As soon as summer rolls in, the country's well-tended open-air pools open. Swimming outdoors becomes a legitimate exercise option and a definite favorite of people.
