TEN PERKS OF A GERMAN SUMMER

9. "Hitzefrei"

Unfortunately for those with jobs, this doesn't apply. But when temperatures reach a certain level, children are let off school to enjoy the sunshine. Lucky them!

10. "Freiluft" cinemas

Catching a classic underneath the stars while relaxing in a deckchair with a blanket, is a normal way to spend a weekday. Some "Freiluftkinos" are on boats, others nestled in woods, others in fancy gardens. We highly recommend finding one and escaping the stuffy air of a cineplex. Plus, they are a little cheaper.
