6 GERMAN WORDS YOU'LL NEED TO KNOW THIS SUMMER

3. Sommerfrische - summer retreat

A holiday retreat on the Frisian island of Sylt, Schleswig-Holstein.

And where do all of the city folk rush off to during the Sauregurkenzeit? To their *Sommerfrischen* of course.

A *Sommerfrische*, a slightly outdated term for summer holiday retreat, can be in the mountains, by the sea, or tucked away in the countryside. Such retreats are popular with those who can afford to escape their busy city lives and enjoy the pleasant summer temperatures in a relaxed atmosphere.
