### GERMANY'S 8 WURST SAUSAGE SAYINGS

5) 'Extra Wurst': If you hanker for favours and don't get them, then you will be acting like the "extra sausage". Being the extra wurst means you're a bit of a prima donna.

6) 'Alles hat ein Ende nur eine Wurst hat zwei': "Everything has one end only a sausage has two". This one is not too difficult to work out; it basically means everything comes to an end, apart from a sausage of course.
