

**WO KANN MAN SPEISEN KAUFEN?**

(Where can you buy food?)

**butcher shop: die Metzgerei, die Metzgereien  
die Fleischerei, die Fleischereien  
butchery: die Schlächtereier, die Schlächtereien  
das Schlachthaus, die Schlachterhäuser**

- most butcher shops have a corner stand selling warm snacks
- many types of meat, sausages, and cheeses can be found here
- **SUGGESTION:** you may not want to visit the following to buy meat:  
slaughter house: **die Schlächtereier, die Schlächtereien  
das Schlachthaus, die Schlachthäuser**

*In der Metzgerei kauft man Fleisch und Wurst.*

for meat, sausage, cooked meats look for **Fleischwaren**; for a butcher's shop you'll need to recognise different words in different areas: **Metzgerei, Fleischerei** or **Schlächtereier**  
*but* for poultry (**Geflügel**) or game (**Wild**) you may have to go to a shop that also sells fish

Metzgerei owner Rudi Dern slices a Schweineschnitzel with skillful ease. Each customer's meat order is sliced after he orders it. There are no packaged meats in a Metzgerei.

**München**
