

WAS ESSEN UND TRINKEN DIE DEUTSCHEN?**NINE TASTY GERMAN FOOD AND DRINK IDIOMS**

7. jemanden durch den Kakao ziehen (to make fun of somebody)

“To drag someone through the cocoa” is apparently not a nice thing to do in Germany. To us, it sounds like fun, but maybe that’s just because we can’t get images of Willy Wonka’s chocolate river out of our heads.

8. Im Wein liegt die Wahrheit. (In wine lies the truth.)

Germans might be known for their love of beer, but in times of doubt, it looks like we agree with Shakespeare. There’s only one drink when you need answers.
