GERMANS AND THEIR KIOSKS—A LOVE AFFAIR

You can take Germans out of a kiosk (and even that might require extremely developed persuasion skills) — but you can't take the kiosk out of the Germans.

This kiosk serves as the meeting point for fans of the Borussia Dortmund

Imagine: You're visiting Germany (in non-coronavirus times!) with your partner, family or best friends. It's one of those long summer nights in Europe when the sun sets at about 10 p.m. and the city streets are packed with people eating, drinking and laughing, seizing the moment in the hope summer never ends.

Well, in Germany the answer is: quite a lot, and you might want to treat it as a legitimate night out. Here's how to handle it as a foreigner if a Saturday night party at the kiosk around the corner is not exactly the most common activity in your country.
