

WO KANN MAN SPEISEN UND TRINKEN?

(Where can you eat and drink?)

essen / speisen / trinken

snack bar: der Schnellimbiß, die Schnellimbisse

snack stand: die Schnellgaststätte, die Schnellgaststätten

stand-up snack bar: die Imbißstube, die Imbißstuben

snack shop: die Imbißbude, die Imbißbuden

So do most restaurants outside meal times. For a quick snack look for **Imbiss** or **Schnellimbiss**. This may be an indoor snackbar, a kiosk or an outdoor stall (sometimes attached to a food shop).

Berlin Street Food

Berlin boasts some thousands of imbissbuden (snack shops) selling quick food fixes from all corners of the globe. The döner kebab is by far the most popular, but the currywurst is a cult classic.

Some Germans like to ignore the concept of a queue, but others are also quite good at letting them know, so it's give-and-take
