### Where Are They Now: The Kids from “The Sound of Music”

Dec 29, 2015

Has it really been 50 years since the von Trapp family do-re-mi'd right into our hearts?

#### THEN: Charmian Carr

A college student attending San Fernando Valley State College, Carr had no idea her life would change with one audition – all because a friend sent her picture to producer Robert Wise. The unknown actress beat out big names like Mia Farrow, Sharon Tate, and Geraldine Chaplin for the role of the eldest von Trapp sister, kind and caring 16-year-old Liesl.

#### NOW: Charmian Carr

After *The Sound of Music*, Carr left the show business for the most part, but recently appeared in *Mad Men* and has cropped up at reunions with her fellow von Trapp family alums. Sadly, she passed away in September of this year at the age of 73.
