### Nicholas Hammond (Friedrich von Trapp)

The second eldest child, Hammond was just 14. Since Hammond had brown hair he had to undergo several painful hair bleachings before and during filming. Hammond was also well-known for his super role of **Spider-Man** (<https://amzn.to/35v2rn9>) & Peter Parker in the '70s *Amazing Spider-Man* series. He hasn't stopped working since. We last saw Hammond in 2019 with an appearance in the Quentin Tarantino film (<https://doyouremember.com/101736/burt-reynolds-best-line-once-upon-a-time-in-hollywood>) *Once Upon a Time... In Hollywood* as actor/director Sam Wanamaker.

Since the mid-'80s, he has been living in Sydney, Australia with actress Robyn Nevin. Although he is most famous for his Peter Parker role in *The Amazing Spider-Man*, the eldest von Trapp child stole many hearts with his acting in the musical film.
