Duane Chase (Kurt von Trapp)

We'll never forget his opening line: "I'm Kurt, I'm 11, and I'm incorrigible!" Fun fact, the high note he sings in in "[So Long, Farewell](https://amzn.to/3nnXaE1)" was actually sung by the younger sister of Charmian Carr, Darleen, as that note was beyond Chase's range. Darleen herself went on to have a solid acting career, actually.

Duane tested the waters of Hollywood with an episode of *The Big Valley* in 1966. Chase did his role in *The Sound of Music* and then simply vanished from any spotlight without leaving a hint or clue. However, after that, he quit acting and joined the United States Forest Service.
