Angela Cartwright (Brigitta von Trapp)

The book-smart, independent and honest Brigitta was Unlike most of the von Trapp children in the film, Angela got her start long before *The Sound of Music*! She was uncredited in roles as young as 3. And at age 5 she was cast as the cute little stepdaughter on *The Danny Thomas Show* (<https://amzn.to/330u6uP>) where she would complete 223 episodes! That led right up to *The Sound of Music*.

After *The Sound of Music*, **Cartwright was seen in TV series *Lost in Space*** and in the 2009 movie *The Bolt Who Screwed Christmas*. But she is best known as one of the greatest child stars of the '60s. After the incredibly successful '60s and '70s, she married in the '70s and acted sparingly. She has been a photographer for the past 30 years and her work can be found at her LA Studio.
